Laying the foundation of excellence

Our Famous Five

Bagless School

DPS Castle of Dreams, Indore is no school bag, no homework as it will bring in new ways of teaching and parenting. The move, has been made, keeping in mind the seriously damaged ergonomic state of the very young. Children at this age must sleep more and play more for their healthy development.

The lack of homework will be a good excuse for parents to find out more about the activities their wards feel genuinely interested in.

Reduction of workload, will not only ease the physical burden of children, but will also lighten their emotional lives.

Outdoor Facilities

- Sprawling lush green play area for the kids.
- Huge Play Ground for the kids for outdoor sports.

Appetizing Meal

Eating a healthy diet helps children stay alert during class and eating together helps in learning mannerism and eating etiquettes.

Nutritious and delicious vegetarian food planned by qualified dieticians will be served in clean and hygienic spacious mess. Special care is taken to ensure that the diet menu offered keeps the students enthusiastic and healthy.

Custom Designed English Language Programme

Exclusive customized spoken English programme for Pre-Nursery, Nursery and Prep.

Social Skills and Personality Development

Our specially designed curriculum provides strong foundation of social, emotional, physical and academic skills to mould your child into a multi talented individual. Here a child acquires comprehensive knowledge and skills through fun-filled activities.
