# MESSAGE FROM THE PRINCIPAL

**Dear Readers,  
Greetings to all!**

I deem it an honour to share with you the achievements, joys, victories and success stories of DPS Kolar Road through the Annual Report for the session 2022-23.

I feel privileged to be part of this magnificent institution. At this juncture I gratefully recognize the selfless service rendered by my visionary predecessors, dedicated teachers, ever supporting parents and the ancillary staff who have worked selflessly and tirelessly to bring glory and honor to our School.

I personally am a firm believer of an educational system where stress is laid on “character formation with academic excellence”. DPS Kolar Road has an efficient team of facilitators who strive for a vibrant and dynamic academic atmosphere. This is achieved through an innovation ecosystem designed to hone the skills of students in diverse programs and mould them to become notable change-makers of the society.

Our aim is to make learning an enriching, fulfilling, and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy. Hence, our persistent efforts are to leverage the intellectual and emotional capabilities of students, encourage the free and spirited exchange of ideas to celebrate diversity, while ensuring inclusivity.

All of this is reflected in our stupendous Board results, prizes won by our students in a myriad of events and the wide variety of activities undertaken by every DIPSITE here.

At DPS Kolar Road, it is our collective endeavour to promote an inspirational, motivational, value-based academic environment.

Building on the strong foundation of the school, let us all strive for cautious, consistent, and catalytic improvement in the overall development, while paving way for innovative ideas and thinking.
